

PATHWAYS TO INDEPENDENCE

VIRTUAL MEETING ANNOUNCEMENT

THURSDAY, APRIL 23RD, 2020 6:00PM TO 8:00PM

To reach as many Peers as possible in the Province, we are presenting this meeting using a virtual format. Not only will this be helpful due to the COVID-19 issues, it's an opportunity to allow greater participation.

It's easy! You will need a Microphone, Speakers and if you want to participate using your Webcam, you can do that too! If you require TIL Tech Support for Tablets, Smartphone and Telephone, please advise and we will schedule you for assistance before the meeting.

COVID-19 UPDATES AND AN OPEN FORUM DISCUSSION

Paul Gauthier will host the meeting and update the participants on the **March 30th Meeting Action Items**.

Open Forum Discussion which will include:

- COVID-19 Updates from the Ministry of Health and Health Authorities
- Community Based Impact from related
 - How it affects people with disabilities
- Health Authority CSIL Contracts New Clause
- Brainstorming Community Support
 - New Information
 - Challenges
 - Tips and Solutions etc.

To maintain confidentiality and privacy, attendees are requested to **Pre-Register** so the **Password** and **Zoom Log In** information can be sent to individual emails before the meeting. To Pre-Register your email address for the Zoom Notification, telephone us a 604-777-7576 (lower mainland), or telephone toll free at 1-844-604-7576. Pre-register by email at **Pathways@technologyforliving.org**

Pathways To Independence Peer Group was developed in partnership with **Paul Gauthier, Executive Director of the Individualized Funding Resource Centre Society**, and **Technology For Living**. This peer discussion group meets regularly to share topics of concern and interest brought forth by group members, as well as to explore common interests and ways to support each other.

Disclaimer: Guest speakers are invited to bring robust discussion to the group. The views and opinions expressed by the guest speakers do not necessarily reflect those of the Individualized Funding Resource Centre Society or Technology For Living.
